Enoree Career & Technology Center is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging learning environment that is modeled after real life experiences that will prepare each of our students to enter the workforce or to further their education in the occupational program of their choice. We provide such an environment through the implementation of our school vision: a school that is "Educating Tomorrow's Industry Leaders." Our teachers work with their Industry Advisory Committee to ensure all students are instructed in the skills and procedures that needed in their career field. This will give our students a head start in their career. We demonstrate this vision by challenging our students with industry established practices and standards to reach their full potential and to prepare them to enter the workforce. Students in most programs receive national or state industry certification. The programs/courses taught at Enoree include Automotive Collision Repair, Automotive Technology, Building Construction, Gerontology, Medical Terminology, Health Science, Cosmetology, Early Childhood Education, Emergency Responder, Pharmacy Tech, Law Enforcement, Graphic Arts, Fashion Merchandising, Career Development/ Rotation, Sports Medicine, and Digital Multimedia. Many of the courses taught at Enoree are dual-credit or have an articulation agreement in place with Greenville Tech. • All programs are offered in accordance with the standards established by the SC State Department of Education Office of Career and Technology Education. • Our Cosmetology students had a 90% success rate on the State Cosmetology Certification Exam • Our Gerontology program had 90% success rate on their National Certification Exam. • Building Construction has received National Center for Construction Education and Research (NCCER) certification. • Our Health Sciences department meets DHEC standards and the Gerontology program is certified by the State of South Carolina. • Our Emergency Responder program receives Red Cross certification in CPR and AED. • Enoree had 25 students compete in the State Skills USA Competition • Enoree had one Skills USA State Champion and five students place second or third in the state in individual or team Skills USA competition. Our goal is to prepare our students for the next step, whether it is entering the work force or continuing their education in a post-secondary environment.
